

The Luxuries of a Preserve Cabin Weekend

Description

If you are thinking about getting away for a few days, The Preserve Sporting Club & Residences is the perfect destination for a relaxing cabin weekend.

Think of it as an exquisite tasting menu at a 5-star restaurant. A Cabin Weekend at The Preserve Sporting Club & Residences in Richmond, RI will tempt and satisfy your palate for luxury and adventure ... for serenity and excitement ... for the refined expressions of the human imagination and the divine designs of nature.

What we warmly refer to as “cabins” at The Preserve exceed the common definitions of sophisticated, single family residences. Their designs seamlessly derive from their natural settings. Stone fireplaces, hardwood flooring and trim, spaces that flow with the grace of a forest river, huge windows that make the distinction between “indoors” and “outdoors” just an illusion. Every cutting-edge convenience, from appliances to bathing options to climate controls, is at your fingertips. Furnishings provide pure comfort for the body and reinvigoration for the mind.

More Than Just A Cabin Weekend

Then there is the 3,500 acres of The Preserve Sporting Club. Our promise that your journey from refined luxury to resplendent nature is simply a matter of opening your cabin’s front door will be kept. An unrivaled array of amenities await you at The Preserve. Our curated collection of sporting options includes a championship golf course, tennis, swimming, zip lining, fishing, archery, hiking and cross-country skiing, snowmobiling, [equestrian challenges](#), and 19- and 12-station [sporting clay courses](#).

When the body demands its own forms of recreation, there is [The Preserve’s OH! Spa](#).

And then it’s time to dine. So make your way to The Preserve’s [Double Barrel Kitchen](#), our fine dining restaurant where Rhode Island’s global reputation as a gourmet’s paradise is honored and enriched.

A Cabin Weekend at The Preserve Sporting Club & Residences in Richmond, Rhode Island is a thing of beauty to be enjoyed for the moments, and remembered for a lifetime.
